All the power of Erborian skincare: **17 plant extracts combined in a multi-perfecting oil** that acts while you sleep. Its promise? Restore confidence in your bare skin in just one night!

IMMEDIATE RESULTS

AFTER ONE NIGHT⁽¹⁾: Your skin is smoothed, intensely nourished and plumped with hydration. Signs of fatigue appear reduced, your complexion is fresh and radiant.

DAY AFTER DAY, RESULTS ARE INTENSIFIED⁽¹⁾: Fine lines and wrinkles are visibly reduced and your skin becomes more supple. It looks clearer with fewer imperfections; skin texture is refined; and your complexion is more even, lastingly radiant.

A **bi-phase** lightweight oil, specially designed to adapt to all skin types. Quickly absorbed, it delicately envelops the skin, without leaving a greasy residue!

Shake well before use to mix the two oil phases. Can be used before or instead of your usual night cream.
